

We are happy to announce we have a new service to protect members against fraud

Introducing Free Fraud Alert Text Messaging

This service is designed to inform you of suspicious transactions. All members with debit cards and a mobile phone number on file are automatically enrolled.

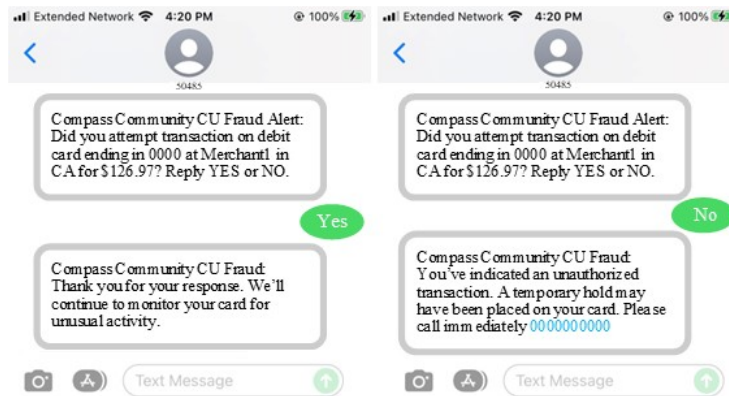

There's nothing you need to do.

You will only receive a text if we detect a suspicious transaction. Once you receive an alert, you can respond (see sample below). If you wish to opt-out of this service, you will be able to do that at that time.

However, we hope you choose to keep this free fraud prevention service in place, as it can be a real benefit when you need access to your account using your debit card, especially when we are closed.

This is extremely valuable when you are traveling out of the area.

Stay on top of suspicious charges in real-time

Again, this is a **free service** for Compass members.

If you have any questions, call us at 707-443-8662 extension 2 or email us at info@compassccu.org.
