Guiding you to better banking

- Once you receive your new card, **ACTIVATE IT IMMEDIATELY.** Call the toll-free number on the sticker to activate the card and choose your PIN.
- Start using your new card beginning at 1pm on Friday, August 28. Your old card will no longer work after 1pm on Friday, August 28, 2020. Please destroy it.
- Your new Compass VISA Debit Card will have limited access during the system upgrade (August 29-31, 2020). Full card access will be restored on September 1, 2020. We recommend you withdraw enough cash on or before Friday, August 28, 2020 for the weekend.
- Remember to update all automatic payments with your new card.

We appreciate your patience and cooperation during this conversion and anticipate only a few days of disruption.
