COMPASS COMMUNITY CREDIT UNION EARNS “BEST OF THE NORTH COAST” HONORS

Eureka, CA—Compass Community Credit Union earned a spot among the “Best of the North Coast” in 2020. The recognition on the coveted Reader’s Choice list marks the first time Compass has been honored among the Best Credit Unions in the financial services category in the annual Times-Standard special issue.

Compass is proud to be recognized for its service to its members and the local community, especially during the current global pandemic.

“We are excited to be a reader’s choice for financial services in the North Coast,” said Ray Litchfield, Compass Community Credit Union CEO. “We have worked really hard and the community is taking notice!”

“Last year, we opened two new branches with state-of-the-art technology,” said Litchfield. “We have added talented individuals to provide outstanding service to our members. In addition, we just completed a system upgrade to allow us to serve members even faster and more efficiently.”

Compass Community Credit Union serves members in Humboldt, Del Norte and Trinity counties. Membership is open to anyone who lives, works or worships in these three counties. For over 69 years, Compass Community Credit Union has been offering financial solutions to members. For more information, visit Compassccu.org.
