COMPASS COMMUNITY CREDIT UNION EARNS “BEST OF THE NORTH COAST” HONORS

Eureka, CA—Compass Community Credit Union has once again earned a spot in the “Best of the North Coast.” Compass has been recognized among the Best Credit Unions in the financial services category in the annual Times-Standard special issue for the second year in a row.

“I am honored once again to be a reader’s choice for financial services in the North Coast,” said Ray Litchfield, Compass Community Credit Union CEO. “The last year and a half were challenging, and our staff stepped up to go above and beyond in serving our members. All the hard work has paid off and our community is taking notice.”

“Last year, we completed a computer system upgrade,” said Litchfield. “We were able to enhance services and introduce new products, allowing us to better serve our members. I’m excited for the future of our credit union as we celebrate our 70th year and know it’s our members and staff that make the difference.”

Compass Community Credit Union serves members in Humboldt, Del Norte and Trinity counties. Membership is open to anyone who lives, works or worships in these three counties. For over 70 years, Compass Community Credit Union has been offering financial solutions to members. For more information, visit Compassccu.org.
