### COMPASS COMMUNITY CREDIT UNION DEEPENS ITS COMMUNITY ROOTS WITH ONGOING SPONSORSHIP OF THE HUMBOLDT CRABS BASEBALL TEAM

Eureka, CA—Compass Community Credit Union is excited to announce its ongoing support for the local Humboldt Crabs baseball team as they kick off their 80th season on May 31st. As the oldest continually operated summer collegiate baseball team in America, the Crabs have nurtured the talents of over 300 professional players.

Compass has been providing financial solutions to its members in Humboldt, Del Norte, and Trinity counties for more than 73 years. Membership is open to all who live, work, or worship in these regions. Compass' sponsorship of the Crabs highlights its commitment to the communities it serves. The sponsorship package encompasses advertising, signage, and support for a team dinner, where Compass will have the opportunity to bring some of its members to eat with the players.

"We're delighted to renew our partnership with the Crabs baseball team and join in celebrating its 80th season," said Compass President/CEO Ray Litchfield. "Supporting the Crabs has become an anticipated tradition for us, marked by our annual barbeque gathering for staff, volunteers, and their families. It's a fun time for us to come together and watch the Crabs in action."

The Crabs organization echoed the sentiment, "The team is thrilled to celebrate its 80th season in Humboldt County by partnering with Compass Community Credit Union", said Crabs President, Scarlet Palmer. "Join us in supporting the Crabs during the inaugural season of the Pacific Empire League. You can check out the game schedule on our website at [HumboldtCrabs.com](http://HumboldtCrabs.com). Come out and show your love for the team!"
