COMPASS COMMUNITY CREDIT UNION SUPPORTS LOCAL STUDENTS WITH TWO SCHOLARSHIPS

Eureka, CA—Compass Community Credit Union has awarded two \$1,500 scholarships to aid students in their quest for higher education. Participants were asked to write an essay on “How the nominee has helped to further the “people helping people philosophy” that guides Credit Unions. The Credit Union received several qualifying applications, which made the decision to narrow it down to two very difficult. Congratulations to Loryn Hunter and Anthony Zinselmeir, recipients of the inaugural Compass Community Credit Union scholarship awards.

“We are proud of our young members and the hard work they invest into their education. The commitment and dedication they put forth for their ongoing education is exciting,” said Compass Community Credit Union CEO, Ray Litchfield. “We want to thank and recognize all of the students who took the time to submit an application. We were encouraged to see how these students adopted the ‘People helping people’ ideology. Congratulations to Loryn and Anthony, we wish you much success in your continued growth and education.”
