It was an honor to participate in this event, which benefited the Nation's Finest, supporting veterans and their families in our community. Great job team!

A Letter from the CEO

Dear Valued Member,
This year marks a remarkable milestone for our Credit Union — 75 years of serving our members and our community.

While anniversaries celebrate longevity, this one is really about people. For 75 years, you have trusted us to be your financial partner guiding you to better banking, and that trust has guided everything we do. From helping members achieve their first financial milestones to supporting families, businesses, and communities through every stage of life, our purpose has always been clear: to serve you with integrity, care, and commitment.

Our success over the past 75 years is rooted in a simple philosophy — that people matter more than profits. As a member-owned financial cooperative, every decision we make is centered on what is best for you. That philosophy has allowed us to grow, evolve, and innovate while remaining true to the values on which we were founded.

As we celebrate this anniversary throughout the year, we look forward to sharing special promotions, events, and moments of gratitude as our way of saying thank you for being part of our Credit Union family. On the last Wednesday of the month, stop by a branch and enjoy some goodies and treats. In addition, once a quarter, we will randomly select one member and award the winner \$75 in cash.

On behalf of our Board of Directors, Supervisory Committee, and dedicated staff, thank you for your loyalty, your trust, and the opportunity to serve you for the past 75 years. We are honored to be part of your financial journey and look forward to many more years together.

With sincere appreciation,

Ray F. Litchfield, Chief Executive Officer
