COMPASS COMMUNITY CREDIT UNION HOSTS TWO LIFE-SAVING BLOOD DRIVES

Compass Community Credit Union recently partnered with the Northern California Community Blood Bank to host a community blood drive, helping collect lifesaving blood donations for local patients in need.

The Northern California Community Blood Bank's mobile donation unit was stationed at the credit union's Arcata branch on Friday, July 10, from 11 am to 4 pm., and at the Henderson Center branch on Thursday, July 16, from 11 am to 4 pm.

Ray Litchfield, President and CEO of Compass Community Credit Union, said, "We are incredibly proud to sponsor the Bloodmobile and partner with our community to help save lives. Supporting blood donation reflects our commitment to making a meaningful difference, and we're grateful to everyone who rolled up their sleeves to give this lifesaving gift. Together, we're building a stronger, healthier community—one donation at a time."

As a token of appreciation, all participants received a raffle ticket for a chance to win one of two prizes. Two winners received a Humboldt Crabs ticket basket, while an additional two winners took home a brand-new 55-inch television.

The Northern California Community Blood Bank is a nonprofit organization, incorporated in 1951, dedicated to providing a safe and reliable blood supply for local patients. Because blood is needed every day to meet ongoing demand, donations remain essential. The blood bank is currently experiencing an urgent need for O-positive blood donors.

Compass Community Credit Union serves members in Humboldt, Del Norte and Trinity counties. Membership is open to anyone who lives, works, or worships in these three counties. For over 75 years, Compass Community Credit Union has been providing financial solutions to its members. For more information, visit Compassccu.org.
