COMPASS COMMUNITY CREDIT UNION PARTNERS WITH AUDIOEYE

Compass Community Credit Union partners with AudioEye to provide enhanced features to allow our website to be ADA accessible. Some of the features include a comprehensive audit of the full site, both automated and manual, automated and manual remediation of all issues identified in the Audit, ongoing monitoring of the site and remediation of any issues identified, AudioEye Accessibility Tool Bar for the site that provides the visitor with many options for navigating and reviewing your website content and ADA Certification, which is viewable through the Tool Bar.

Visitors to our website will notice the Accessibility Icon located in the bottom right-hand corner. The Help Desk provides users a means to report accessibility and/or usability issues. The Certification contains verbiage speaking to the client's commitment to accessibility and usability, as well as informs the user of the current phase the site is in during the implementation process.
