Offering a great banking experience isn't the only way we support our community.

Even though we're really busy with the opening of our new Arcata and Henderson branches, we do our best to stay involved in other things that are important to our community.

For example, in April, we participated in the Home Show and sponsored the Rhody Parade. We also sponsored the Redwood Coast Music Festival, Redwood Christian School Golf Tournament, and TLC's annual fundraiser dinner in May.

And this summer, we'll be getting involved even more. In addition to sponsoring the B52's and Humboldt Crabs baseball teams, we'll also be the division sponsor for the mini stock and roadrunner classes at the Redwood Acres Races. And come July, we'll be playing a role in the "Get Out And Play Day" at the Clarke Historical Museum.

There are a lot of amazing things going on in our community. We are excited to play a part in all of it.

Sincerely,

Ray F. Litchfield, Chief Executive Officer

Ray F. Litchfield

Our Arcata grand opening was a lot of fun.

In addition to watching our staff try to use giant scissors, Mayor Brett Wilson stopped by to join the festivities. And Tommy the Tom Cat was on hand to broadcast remotely on KISS FM 99.1 & The MIX 95.1.

Our Arcata branch is now open.

1033 G Street, Arcata, CA 95521

Branch hours: Monday – Friday: 9:00am – 5:00pm. Saturday: 9:00am – 12:00pm

Our Henderson Center branch is now open, too.

2861 E Street Eureka, CA 95501

Branch hours: Monday – Friday: 9:00am – 5:00pm

Please note: The 321 Wabash location will no longer be available for member transactions. Please use the Henderson Center Branch for all your banking and loan needs.

Poor or no credit? Here's a way to fix it that you probably never thought of.

If you have poor or no credit, you're not alone. 68 million people in the US are in the same boat.

The good news is that since you're a Compass Community Credit Union member, you already have an easy way to start building or rebuilding your credit score. It's your Compass Savings account.

Simply take out a loan against the balance you have in your savings account. Make payments on the loan on time. And your credit score will start to reflect that in a positive way. Plus, you can use the money from the loan to help pay down any high interest credit card debt or catch up on other bills that you may not be paying on time.

Having a good credit score can help you qualify for better interest rates and terms on loans. It's also used by landlords when you apply to rent. Even your smartphone lease and your life or car insurance rates can be affected.

To learn more about taking out a loan against your Compass Savings Account, just stop by your local branch.
