CREDIT UNION GRANTED FIELD OF MEMBERSHIP EXPANSION

Eureka, CA—California State & Federal Employees Credit Union (CSFECU) is pleased to announce they have been granted approval by the California Department of Business Oversight to open membership to those who live, work or worship in Humboldt, Del Norte or Trinity counties.

Previously, membership was only open to current or retired federal or state employees, Humboldt State University students, staff and alumni, current or retired members of the United States Armed Forces and family members. The next step is a name change to better reflect who they now serve.

“This truly is sensational news and we are delighted to open membership to these communities,” said CSFECU CEO, Ray Litchfield. “We want people in the local community to think of us for their financial needs. We offer higher rates on savings and lower rates on our lending products. Now more people have the opportunity to join and take advantage of the many benefits we offer.”

California State and Federal Employees Credit Union serves more than 5,300 members in Humboldt, Del Norte or Trinity counties. Membership is open to anyone who lives, works or worships in these three counties. For over 66 years, CSFECU has been offering financial solutions to members.
