### CSFECU WELCOMES NEW BOARD OF DIRECTORS

Eureka, CA—California State & Federal Employees Credit Union continues to grow. As a result, some changes were made with the addition of new leadership to the board of directors. Last year, CSFECU was pleased to welcome Joshua Zender, serving a 3-year term. Then in January, Steve Kimberling and Edward Webb were gratifying additions, both serving a 3-year term as well.

“We have set some aggressive goals for this year so adding this caliber to our leadership was imperative. The experience they bring will certainly be an asset to us in directing our strategic plans and meeting our objectives, ultimately meeting the needs of our members” said CSFECU CEO, Ray Litchfield. “Having good, strong, forward thinking leadership is essential and we are excited to have these additions to our team.”

California State and Federal Employees Credit Union serves more than 5,300 members in Humboldt, Del Norte or Trinity counties. Membership is open to a wide range of groups, including current or retired federal or state employees, Humboldt University students, staff and alumni, current or retired members of the US Armed Forces and more.
